Celebrating 12 Years of Game Changer

Unity Christian Fellowship (UCF) is proud to host its 12th Annual Game Changer Conference. In 2012, the conference started with 200 students and has progressed to more than 500+ students at each conference. Our mission is to craft a “Game Changer” experience that reignites and builds the social-emotional wellness, confidence, and values our young males need to ascend to the next level and become a true Success Story. This conference is a beacon of hope and empowerment. We encourage young males to embrace a positive attitude and pursue academic excellence to reach their full potential, and collaborating with MCPS schools to boost High School graduation and College Readiness Rates.

The man behind the dream of Game Changer is one of the founders of UCF, and the Executive Director, Donald Williams II. He had a dream more than 12 years ago to create an environment that shows young males that their lives are valued by encouraging them to give their best and aim high to compete academically & socially. He has helped bring more than 5,000+ students to the conference over the past twelve years. In the earlier years, the community churches were huge supporters to fund the conference. Throughout the years there has been support from the county government, MCPS schools, non profits and other like-minded youth organizations.

Students from K-12 from all over the DMV attend the conference

Over 100 guest speakers from the community & alumni

Over 70+ graduated & attended college/universities
